

whole or in part, without notice whenever it is known that the EAR have been violated or that a violation is about to occur. BXA's Office of Exporter Services may revoke any license in which a person who has been convicted of one of the statutes specified in section 11(h) of the EAA, at the discretion of the Secretary of Commerce, has an interest in the license at the time of the conviction. It may be necessary for BXA to stop a shipment or an export or reexport transaction at any stage in the process (e.g., in order to prevent an unauthorized export or reexport). If a shipment is already en route, it may be further necessary for BXA to order the return or unloading of such shipment at any port of call in accordance with the provisions of the EAA.

(b) *Return of revoked or suspended licenses.* If BXA revokes or suspends a license, the licensee shall return the license immediately upon notification that the license has been suspended or revoked. The license must be returned to BXA at the address listed in § 748.2(c) of the EAR, Attn: "Return of Revoked/Suspended License". All applicable supporting documents and records of shipments must be retained by the licensee in accordance with the record-keeping provisions of part 762 of the EAR. If the licensee fails to return a license immediately upon notification that it has been suspended or revoked, BXA may impose sanctions provided for in part 764 of the EAR.

§ 750.9 Duplicate licenses.

(a) *Lost, stolen or destroyed.* If a license is lost, stolen or destroyed, you, as the licensee, may obtain a duplicate of the license by submitting a letter to the BXA at the address listed in § 748.2(c) of the EAR, Attention: Duplicate License Request". You must certify in your letter:

- (1) That the original license ([number] issued to [name and address of licensee]) has been lost, stolen or destroyed;
- (2) The circumstances under which it was lost, stolen or destroyed; and
- (3) If the original license is found, the licensee will return either the original or duplicate license to the BXA. Note that if shipment was made against the

original license, those shipments must be counted against the duplicate license. If you are issued a duplicate license you must retain the duplicate license in accordance with the record-keeping provisions of part 762 of the EAR.

(b) *Hong Kong Trade Department.* BXA will automatically issue a duplicate license whenever the license lists a party in Hong Kong as the intermediate consignee, or when Hong Kong is identified as the country from which the reexport will take place. The duplicate license will be labeled "Duplicate for Hong Kong Trade Department". This duplicate must be forwarded to the re-exporter or intermediate consignee for submission to the Hong Kong Trade Department. The original license must be retained on file by the licensee in accordance with the recordkeeping provisions contained in part 762 of the EAR.

§ 750.10 Transfers of licenses for exports.

(a) *Authorization.* As the licensee, you may not transfer a license issued for the export of items from the United States to any other party, except with the prior written approval of BXA. BXA may authorize a transfer of a license for export to a transferee who is subject to the jurisdiction of the United States, is a principal party in interest, and will assume all powers and responsibilities under the license for the control of the shipment of the items out of the United States. BXA will approve only one transfer of the same license and only transfers of licenses to export items.

(b) *How to request the transfer of licenses—(1) Letter from licensee.* You, as the licensee, must submit a letter in writing to request a transfer of a license or licenses. The letter must contain the following information:

(2) *Information from transferee.* The person to whom you wish to transfer your license(s) must provide you a signed letter, that must be submitted with your request, containing the following:

(i) That the transferee is a principal party in interest in the transaction covered by the license, or is acting as agent for a principal party in interest;

(ii) That the transferee is subject to the jurisdiction of the United States;

(iii) That the transferee assumes all powers and responsibilities under the license for the control of the shipment of the items out of the United States;

(vii) The following certification:

The undersigned hereby certifies that, if license number(s) _____ is (are) transferred in accordance with my (our) request, any and all documents evidencing the order covered by this (these) license(s) will be re-

tained and made available upon request in compliance with the recordkeeping provisions contained in Part 762 of the Export Administration Regulations. The undersigned further certifies compliance with all requirements of the Export Administration Regulations regarding these licenses.

(c) *Notification of transfer and record-keeping.* Unless instructed otherwise by BXA, you must retain the license(s) pending notification by BXA of the action taken. If the request is approved, you must forward the license(s) to the transferee and the validated letter received from BXA authorizing the transfer. If the transfer request is not approved, the license(s) must either be returned to BXA or used by you if you so choose and have retained the legal and operational capacity fully to meet the responsibilities imposed by the license(s). If your initial request is returned by BXA for additional information, after obtaining the necessary information you may resubmit your request.

§ 750.11 Shipping tolerances.

(a) *Applicability and use of shipping tolerances.* Under some circumstances, you may use a license issued for the export of items from the United States to export more than the quantity or value shown on that license. This additional amount is called a shipping tolerance. This section tells you, as the licensee, when you may take advantage of a shipping tolerance and the amount of shipping tolerance you are permitted to use.

(1) If you have already shipped the full amount approved on your license, you may not use this shipping tolerance provision. No further shipment may be made under the license.

(2) The amount of shipping tolerance you are permitted is based on the "Unit" specified for the item you want to export in the applicable ECCN on the CCL (see Supplement No. 1 to part 774 of the EAR). You must calculate shipping tolerance based on the applicable "Unit" whether that be Number, Dollar Value, or Area, Weight, or other Measure. You may not use any other unit that may appear on your license.
